

ASSEMBLY INSTRUCTIONS

1. Color and cut out your storyteller.
2. Flip over so story side faces down.
3. Crease in half diagonally.
4. Crease in half on the other diagonal.
5. Fold in all four corners to center point.
5. Flip over and fold in all new corners to center point.
5. Crease in half rectangularly, both ways.
6. Open pockets and insert a thumb or index finger in each under-flap.
7. Play together!

PLAY GUIDELINES

1. Insert a thumb or index finger in each underflap and pinch together.
2. Ask your partner to pick a color.
3. Spell the color three times while simultaneously spreading your fingers to reveal the numbers—thumbs together/index fingers together for the first letter, then left fingers together/right fingers together for the next. Back and forth.
4. Freeze fingers in the final position, revealing four numbers.
5. Ask your partner to pick a number. Repeat step three, this time counting the selected number.
6. Freeze fingers in the final position, and ask your partner to pick a number.
7. Open the flap and reveal your question. Ask your partner for the story!
