## A MINI CHRISTMAS JOURNAL!

I believe that your story is one of the most meaningful gifts you can give yourself and the people you love. Take a pause from the holiday chaos, and record meaningful memories and silly thoughts in this journal—together with someone you love!

### Assembly instructions:

1. Print this journal and fold the pages in half.
2. (Optional) Add pages of scrapbook paper, wrapping paper, or colored paper between your pages.
3. Organize all the pages.
4. Bind your book. The easiest way is to close your journal and staple twice along the fold line, near the top and bottom. Make sure all pages are secure.
5. Decide who fills in the “I” and “me” prompts and who answers the “you” prompts.
6. Write, doodle, and decorate the pages together or pass your journal back and forth.
7. Spread the joy! Share peeks at your process and inspire us all
