## Share this printable with someone!

You just sparked something meaningful. Now let's help someone else do the same!

Think of one adult who connects with kids—whether at home, school, or beyond—who'd love these printables too. Forward them this PDF, print a copy, or invite them to join us for free weekly printables and family conversation starters:

Grab your free

Katie Clemons

Let's build the family bond you've always wanted.

Over half a million families use Katie Clemons books. You're in wonderful company.

## Time Capsule A Seriously Awesome Journal

Help your kid discover how mighty their own stories can be! Kids record awesome adventures, achievements, and activities so they're captured for all time.

"Excellent summer journal! I used this journal as a tool for my 10 year old to earn screen time in the summer! Very thought provoking prompts that allowed my son to express himself in many ways when responding." —GDubya
