

Let's celebrate your story!

I believe that your story is one of the most meaningful gifts you can give yourself and the people you love.

This minibook is excerpts from my adult and child gratitude journal, We Are So Thankful. If you love writing in these pages, let's celebrate more of your story together with my other books or the full gratitude journal. They're just as empowering and, well, awesome!

Join me for free gratitude printables, games on the go, and simple techniques for binding this journal at:

katieclemons.com/grateful
