IT IS !! DON'T BE AFRAID!

JOHN 6:16-20

We suffer more
often in imagination
than in reality.

Uncertainty is the
natural habitat of
human life.

BIG IDEA

Because the “I Am” is with me, I can learn not to be afraid because Jesus puts fears in their proper place.

"It is I - Don't Be Afraid!"

WHERE IS JESUS TODAY?

Ascended, Interceding, Representing us
before the Father (Hebrews 4:14-16).

Spirit of God makes known the presence
of Jesus.

When you are afraid this week, take a
moment to pause, to thank Jesus that he is
with you and for his care and power.

Ask him to help you not be afraid, as you
face, the challenge in front of you.
