
Hope When Running On Empty from **John 20:1-18** | April 5, 2026 | Luke Dahlenburg

Running On Empty (John 20:1-10)

John moves from uncertainty to faith as he carefully considers the evidence and entrusts his life to the risen Jesus.

Filled By The Risen Jesus (John 20:11-18)

Mary moves from grief to hope when the risen Jesus meets her personally, calls her by name, and promises deeper intimacy through his presence.

Hope That Must Be Shared

The hope of the risen Jesus is not private but proclaimed, as we are sent to share this life-giving news with others.

Overflowing With Resurrection Hope

Because Jesus rose bodily from the dead, we have certain hope of restoration, future life, and present strength to endure.

For Reflection

1. Bring your emptiness to Jesus. Ask him to fill your hope tank.
2. Pray for someone you can share this resurrection hope with.
3. Look for and share glimpses of God's kindness and hope in everyday life.

MY ONE THING

What's one thing that struck, challenged, or encouraged you today? Write it down and share with someone.
