Seminar choices for session 2

Concept to Concrete (Kids Ministry - Primary)

Engaging Teaching (Youth Ministry)

Josh Ord - *Youth Ministry Advisor Youth Works NSW*

We want our young people to hear the word of God in a way that engages their culture, their learning styles, their mind and their heart. This session will open your eyes to a whole world of potential for teaching young people creatively.

Ministry to Under 5s PART 2 (Kids Ministry - Creche Preschool Minis)

Meaghan Turner - *Under 5s Children's Ministry Advisor Youth Works NSW*

Discipleship that's more than a moment (All ages)

Come give puppets a go, and learn the basics of hand puppetry for both arm rod (Kermit the Frog) and live hand (cookie monster)

REPEATED IN BOTH SESSIONS

Back to School (Youth led prayer groups & Bible studies in school)

Mark Marno & Team - *State Director Mustard Seeds SA*

Children and youth spend around 50% of their waking weekday at school. How can we best help those in the school environment? This session will help you to better appreciate the school environment. Equipped with this understanding, we will consider what support can be put in place for students in schools and how you, as their leaders at church, can strategically incorporate this into the time you spend with them.

That there should be no division in the body (disability ministry)

Dave Brown - Disability advocate, pastor at St Matt's Kensington, Lecturer at BCSA and TABOR

De Brown - Disability advocate, Auslan interpreter

Inclusion is something that everyone wants, but we sometimes struggle to do. It's hard enough to keep up with the demands of our ministries, let alone finding the time and creativity to think about universal accessibility. Or is it? What if there were simple changes that we could make that would benefit not only those at the fringes, but everyone? In this seminar we'll have a chance to share successes, learn from one another, and think about how we can build programs that benefit everyone.

Lift their eyes to global mission (Global Mission)

Tamie Davis - *Mobilisation Lead at CMS SANT*

This workshop will equip you with everything you need to lift the eyes of the kids in your church to God's global mission. From taking them through a biblical theology of mission to videos and crafts and worksheets and prayer ideas, you'll never feel short of ideas again! The resources in this workshop are easy to mix and match, so you can customise to suit your age groups, frequency, size, etc. At this workshop, we'll make connecting to God's global mission fun for kids and easy for leaders!
