**FINANCIAL PARTNERSHIP UPDATE (May 2025)**

With one third of 2025 over, I'm so pleased to report that congregational giving continues to be up on 2024. When combined with a slight reduction in budgeted expenses, it means we're tracking well in 2025 (so far!)

Thank you to everyone for their generosity - you'll recall that **this year's budget called for an 8% increase in congregational giving** to get us "out of the red" and "into the black" for the first time since we sent 150 members to 3 church plants in 2022. This is a great step in the right direction!

If you've not yet had a chance to action your pledged increases, can I please urge you to do so ASAP - it'd be great to keep "out of the red"? Likewise, if you call Trinity Church Adelaide your home, but have not commenced financial partnership, can I please invite you to start doing so? Details can be found at <https://www.trinitycity.church/about/giving/>. In addition, the QR code gives a short-cut to electronic giving, and cash gifts can be placed in the secure black box on the side of the Welcome Table.

As always, if you have any questions, comments or feedback, please don't hesitate to speak to the pastoral staff or lay Leadership Teams.

Geoffrey Lin  
**Senior Pastor**
