## Let's Listen:

Every person is special to God, and because of that, God wants us to be nice to everybody. It's our job to keep people safe and protect them. We should be nice to them.

## Let's Answer:

Should we be nice or mean to people?

Nice!

## Let's Talk:

Louis, when someone wants one of your toys, should you be nice or mean?

Edward, how should you treat your friends at school?

Nasko, how should you treat your brothers? Should you keep them safe or hurt them?

## Let's Pray Together:

God, thank you for loving me. Help me to be nice to people. Amen!
