

# ONLY WORSHIP GOD

## **Let's Remember:**

Exodus 20:4 "You should only worship God."

## **Let's Listen:**

Boys, there are so many things in the world that we could worship: our friends, our toys, even ourselves, but we should actually only worship God. Anything that becomes more important to us than God is an idol.

So how do we worship God? We sing to Him. We pray to Him. We live our lives for Him. We make good choices that will please Him. We tell others all the good things He has done for them.

## **Let's Answer:**

Who or what is the only thing we should worship?  
God!

## **Let's Talk:**

Louis, you can worship God by sharing your toys with your brothers.

Edward, you can worship God by listening to Mama and Taty.

Nasko, you can worship God by making good choices.

## **Let's Pray Together:**

Dar God, you are the only real God. Help us to not have idols. Help us to love you, serve you, and worship you only.
