

# RESPECT GOD & HIS NAME

## Let's Remember:

Exodus 20:7 "Respect God and His name."

## REVIEW

1. Only Worship God

## Let's Listen:

Boys, our God is holy, and we should respect Him and His name. As you get older, you are going to hear people use God's name in ways that they shouldn't. You will hear them say God's name when they are hurt or mad, but that is not right. Or you will hear people use His name to make a promise, even when they are lying.

We must remember that God is the ruler of heaven and earth. Any time we use His name, it is to be done with respect. We must respect God and His name.

## Let's Answer:

Should we use God's name when we are mad or angry?

No! We must respect God's name.

## Let's Talk:

Louis, when you are older and don't get your way, don't misuse God's name.

Edward, when you are older and you don't get what you want, don't misuse God's name.

Nasko, you need to always tell the truth, and you can respect God and His name by telling the truth.

## Let's Pray Together:

God, you are holy and we must respect your name. Help us to honor your name.
